Whip practice where you as the slut will be the "whipping boy" being whipped. The idea of My Whip workshop is to cover the different ways in which to strike someone with a whip, how hard and soft to

whip. It is not just about pain the whip can cause or the mark it can leave behind....the whip can be an erotic teasing tool to tickle your senses with.....come along and I'll show you. Naturally, target practice is included in the training with the other Ladies and you will be protected accordingly depending on the areas we choose to target ;)

1 - 2pm Refreshments and welcoming the second workshop to join us.

2 - 5pm Afternoon workshop will include Saline Infusions to the balls and to the breast areas. I have enough saline for 1x pair of boobies and 2x pairs of balls (Limited spaces on the PM) The afternoon will also include Needle Play, more electrics and whip practice once all the saline has been administered to the appropriate patients.

5-6pm There will be an hour at the end where we can all relax and chat about the day with a hot sweet cuppa and something hot and buttery. I will ask for any specific dietary requirements in the Filming Application Form I will send out to you after you have paid your non-refundable deposit.
