NEWSLETTER

Welcome to My "Hit List" slut, slave or general perv! This won't be a monthly thing...it will be a "post a newsletter when I've got stuff to post about" kind of thing. My newsletter will be used mainly to let you know about upcoming specific dates for your diaries and the opportunity to book your slot before I advertise what is available to everyone else. Here you will find out what is going on in My diary. My session availability, Filming Days, Workshop dates, and which fabulous Mistresses I have visiting when and for what reason.

Their visits will likely include any of the following:

- Solo / Double Domme Sessions
- Filming Day
- Co- hostess for an evening party
- Co – hostess for an afternoon party
- Double Domme Dinner Date
- Double Domme Lunch Date
- Photo Shoot
- Workshop / Training
- Mistress Camming
- Shopping Trips – Including discreet public humiliation ...or not

If you haven't already, I want you to bookmark/save My mailing list tab and/or Events & Newsletters tab on My website and check in for updates. you will find out in advance (or last minute depending on diary cancellations) about filming day and session slots available, tributes and all the required info in order to apply.

DIARY DATES

All of My sluts know I have limited availability between April and October of any year as I enjoy taking time to enjoy Spring, My allotment and My family. Maintaining a happy balance is crucial, whichever way suits Us best. November until middle of April My diary is open for weekends and later evenings. Mid April until beginning of October I am not available at weekends. Sessions after 9pm are not shown on My online diary. You must inquire for availability.

Below you will see the rest of the year calendar (as availability is now as I type!) so you can see at a glance exactly when and where I am available for the next few months. I make plans well in advance and like to keep everything and everyone in order. My diary info here is as it stands on the 4th November (it will change quickly) but My website calendar is updated a dozen times a day every day. That is where you will find My most up to date availability. The information here in My newsletter shows My availability in My premises, The Under Dungeon. If I am away touring, you will see tour dates and locations below. Information about Parties and Filming days are shown below and on My website.

Always drop Me a message if you have a query about booking outside of these times.
